BLEACH SOLUTION FOR SANITIZING DISHWARE/UTENSILS

### BRING PERSONAL STUFF:

- Gaiters:** knee-high, should cover all your laces and fit snugly
- Synthetic underwear:** top and bottom; NO COTTON
- Ski pants or knickers:** wool or synthetic blends, Gore-tex
- Wind pants:** optional, but very nice
- Socks:** liner pair and outer pair of heavy wool or blend, at least two complete sets
- Down vest:** optional, but very nice
- Sweater:** heavy wool or down
- Wind shirt:** optional
- Mountain parka:** heavy duty, multi-purpose jacket for covering all your garments, lots of pockets and a hood
- Wool hat:** (or synthetic) two- one lightweight and one heavy
- Mittens/gloves:** lightweight liners (synthetic), heavy-duty mittens and overmitts
- Down booties:** (or hut scuffs, slippers) handy around the hut
- Scarf or neck gaiter :** very handy on cold and windy days
- Sunglasses:** or goggles
- Toiletries:** comb, handtowel & soap, toothbrush/paste, lip balm,
- Wet wipes/handi wipes:** not a bad alternative to a shower!
- Sunscreen:** at least SPF 15
- Toilet paper w/ matches:** a small personal cache
- First Aid Kit:** standard kit of analgesics, moleskin, bandages, tweezers, etc.
- Repair Kit:** should include binding screws, screwdriver, bailing wire, spare bale, duct tape, etc.
- Wax Kit:** a wide assortment for different conditions
- Camera equipment:** batteries should be new
- Firestarter and matches:** waterproof container
- Pillow Case and twin or full size fitted sheet**
- Feminine supplies**
- Earplugs**
- tie on/clip on mantles for the kitchen light**

### BRING GEAR:

- Backcountry Skis:** metal edges recommended
- Ski skins:** *can make all the difference in the world!!*
- Ski boots:** at least ankle length, stiff as possible, waterproofed
- Ski poles:** standard nordic ski poles, the stronger the better
- Snowshoes and snowboard**
- Sleeping bag:** good to at least 0 degrees, the warmer the better
- Water bottles**
- Map and compass:** GPS is nice, recommended maps: Nat'l Geographic #'s 112, 114 & # 200 if going to Nokhu or Agnes.
- Headlamp:** check bulb and batteries, a headlamp is *necessary*
- Candles:** if the mantle breaks , **BATTERY OPERATED LANTERN**
- Swiss army knife:** or equivalent
- Ground cloth or tarp:** ideal for emergency bivouacs
- Daypack or large fanny pack:** for day tours away from the hut
- Backpack:** internal frames are best, ski sled is good alternative \* A sled can carry more volume and weight than a regular back pack—check outdoor sports shops for rental info.

**Remember to pack out everything that you bring in .  
Please do not leave any trash or etc. and please  
leave the yurt/hut clean for the next guests. Thanks!**
